

Basic Pricing Information on the Dean Bible Ministries June 6-19, 2023 Israel Trip

I know that the main thing many of you wish to know is the cost. One reason I was delayed in getting information out is trying to get the best deal I could without sacrificing comfort or quality. I have compared this with some other trips, and we are in line. The basic difference is that our is priced from Houston IAH and others price from Newark. Those of you who do not wish to fly out of Houston because you are not in Texas will need to let us know so we can adjust the price and make it to/from Newark and you will need to cover your own transportation costs to/from Newark.

The quotes are per person, double occupancy. Since I cannot predict how many we will have, I give the cost based on the number who sign up to go.

Based on 20 paying passenger	\$5792
Based on 25 paying passenger	\$5569
Based on 30 paying passenger	\$5452
Based on 35 paying passenger	\$5342
Based on 40 paying passenger	\$5265

*For a single supplement (those not sharing a room) an additional \$1524

**We have reserved 6 seats in Premium Plus for an additional \$2054 per person. These are first come, first served. If you want this you will need to let us know ASAP.

PLEASE do not send this in until after 1 Jan 2023, for our accounting purposes. Fifty percent of the remainder will be due on 1 February, and the remaining balance by 30 April.
